Easy Template Kit – Setup

General

For general Unity and Game Creator explanations I would advise checking out Unity and Game Creator documentation.

Unity: https://docs.unity3d.com/Manual/index.html
GC: https://docs.gamecreator.io/
RVR: https://www.youtube.com/c/RVRGaming

Template   0_DefaultETKTemplate

Other than inspecting everything in the hierarchy, which would be advised as the first step if you have some basic Game Creator knowledge. Go to this video playlist for a run-through of how the templates work and are setup:
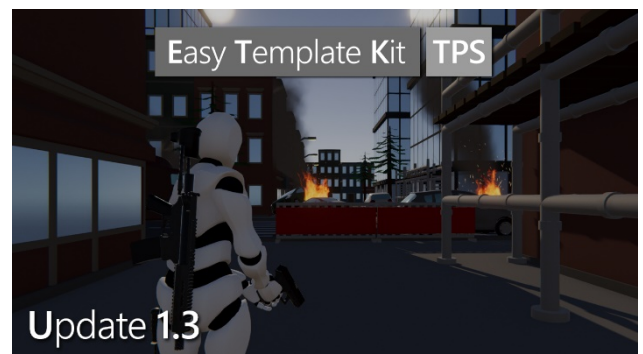

ETK Tutorials

Template   1_ThirdPersonShooter

Other than inspecting everything in the hierarchy, which would be advised as the first step if you have some basic Game Creator knowledge. Go to this video playlist for a run-through of how the templates work and are setup:

ETK Tutorials

Template   2_TopDownRPG

Other than inspecting everything in the hierarchy, which would be advised as the first step if you have some basic Game Creator knowledge. Go to this video playlist for a run-through of how the templates work and are setup:
